### SEVENTEEN CROSSED THE SHRINERS' BURNING SANDS

Number of Copper Country Men Initiated into Ahmed Temple Mysteries.

### HANCHETTE AGAIN POTENTATE

Members of Ahmed temple, Ancient Order of Nobles of the Mystic Shrine, to the number of more than 200, journeyed to Marquette Wednesday on their semi-annual pilgrimage. The attendance was larger than usual and the evening sessions, the election of officers, which was held in the afternoon, resulted as follows:

Potentate—C. D. Hanchette, Hancock.  
Chief Rabbi—F. M. Moore, Marquette.  
Assistant Chief Rabbi—Harry T. Emerson, Menominee.  
High Priest and Prophet—T. M. Wells, Negaunee.  
Oriental Guide—Ernest L. Pierce, Marquette.  
Treasurer—W. B. McComb, Marquette.  
Recorder—E. W. McPherran, Marquette.

Delegates to Imperial Council—A. J. Young, Escanaba; Frank Scadden, Crystal Falls; James T. Fisher, Laurium; C. D. Hanchette, Hancock.  
Potentate Hanchette made the following appointments:  
Director—T. A. Gowling.  
Assistant Director—J. S. Richardson.

Marshal—Frank J. Jenks.  
Captain of Guard—A. P. Meads.  
Outer Guard—P. J. Delf.  
Alchemist—Angus W. Kerr.  
Stewards—J. H. Lewis and Louis Pondill.

At the evening session seventeen candidates were received into the temple, after a staid and trying journey across the burning desert sands. The nobles admitted to the order were: H. E. Henderson, Houghton; Wm. W. Kimmel, Hancock; Joseph G. Kohlhaas, Calumet; Frank F. Stolpe, James E. Pierce, Lawrence J. Jacobs, Carl R. Dunster, Marquette; Nelson J. Robbins, John H. Andrus, Negaunee; Clarence E. Peterson, Menominee; David B. Landsborough, Daguerre; Wm. C. Everett, John W. Burton, Sault Ste. Marie; Frank N. Crookson, Marquette; James G. Grogan, Escanaba; John W. Kingston, Laurium.

Following the ceremonial session, an elaborate banquet was served in the hall and the nobles feasted and enjoyed themselves until a late hour.

The proposition to send a large delegation from Ahmed temple to the Imperial council in New Orleans next April was the subject of general discussion and it is probable that two cars filled with Shriners will make the pilgrimage to the southern city. The Grand Rapids temple has arranged for two trains to the Imperial council and Ahmed temple has been invited to accompany them. The invitation will probably be accepted and, if so, the two coaches from the upper peninsula will be attached to one of the Grand Rapids trains.

BERWIND BADLY DAMAGED.  
Boat Which Collided With Steamer Near May Winter at Sea.  
A Steamer dispatch says:  
The damage to the steamer H. A. Berwind, which was in collision, in Mad lake Sunday night with the Henry S. Berwind, and which is now 1500 yards, is much more seriously damaged than was shown above water. It is probable that she cannot be gotten in shape before the ice forms and will be forced to lay up here for the winter. The coal cargo may be taken out and sold to local dealers. It is estimated that it will cost about \$20,000 to make the repairs.

The crew of the steamer left today on the steamer Matthew Anderson for the lower lakes. The steamer, of Philip Minch lost a couple of hundred dollars when coming down Lake Superior and will be accompanied by the Anderson.

Preparations are being made to close down the Poo locks for the season, work on which will begin tomorrow morning. The work will be in such shape that the canal can be used in case of necessity until the last boat gets through.

Should you be suffering now from any stomach disorder you can get relief within five minutes.

### DYSPEPSIA, HEARTBURN, GAS AND ALL OTHER MISERY FROM A DISORDERED STOMACH GOES

Relief in five minutes awaits every man or woman who suffers from a bad stomach—Get some now and put an end to Stomach Trouble forever.

If you will get from your pharmacist a 50-cent case of Pape's Diapiesin you can always go to the table with a hearty appetite, and your meals would taste good, because you would know there would be no indigestion or Sleepless nights or Headache or Stomach misery all the next day; and, besides, you would not need laxatives or liver pills to keep your stomach and bowels clean and fresh.

Pape's Diapiesin can be obtained from your druggist, and contains more than sufficient to thoroughly cure the worst case of indigestion or Dyspepsia. There is nothing better for Gas on the Stomach or sour odors from the stomach or to cure a Stomach Headache. You couldn't keep a handier or more useful article in the house.

### CIRCUIT COURT AFFAIRS.

Judge Streeter Releases Young Austrian Till Time for Trial.  
Luka Gorgic of Hurontown, in jail for nine months awaiting trial on a charge of assault with intent to kill, his trial having been held up from term to term because of the absence of witnesses, has been released on his own recognizance till the first day of the January term of court. Judge Streeter issued the order.

Gorgic was arrested on a charge of hitting a man of Hurontown in the face with an axe. There appeared to be witnesses in plenty at the time, but they have gradually disappeared, gone back to the old country. Sheriff Byers thinks. In the meantime Gorgic has been in jail and when Judge Streeter learned of the long incarceration he acted promptly. He had Gorgic up before him and gave him an informal examination, finally releasing him on his own word to appear in January. The judge is confident Gorgic will show up, too.

"That is not what jalls are for," said Judge Streeter, "to hold men for trial. Gorgic has been in jail long enough without a trial and I gave him his liberty."

About the same time Judge Streeter sent William Adams up for 30 days, he having pleaded guilty to larceny. He is a Hancock man who stole a gun and underwear from a man at Franklin.

A divorce was granted John Lebeau from Agnes Lebeau. The man alleged extreme and repeated cruelty. The parties are from Calumet.

The case of G. Tonelli and Peter Gerometta vs. John Millu and others of South Range, involving a settlement of claims against the uncompleted auto building at South Range, was settled out of court yesterday afternoon. The attorneys and parties were sequestered in a room in the county building nearly all day yesterday and finally came to terms. It is believed that the building can be completed.

### LITTLE COPPER ON DOCKS AWAITING SHIPMENT NOW

Close of Navigation Finds Practically No Metal For Eastern Points.

### A BIG SHIPMENT LAST WEEK

The close of navigation on the Great Lakes finds very little copper at the several smelters awaiting shipment. A single shipment made by water last week totalled 2,000 tons and practically cleaned up all to be had at the Copper Range dock. There is at the present time less than 10 tons of the finished metal in sight at that point. Calumet & Hecla has also been a steady shipper throughout the season of navigation and continues to ship at the rate of 500,000 pounds of refined copper daily by rail. This company expects to maintain this rate for the next 30 days. The total production of the district continues well over 20,000,000 lbs. of fine copper monthly.

### Says Notes Prove Gould's Love

BESSIE DEVOE, WHO IS SUING FRANK J. GOULD FOR \$200,000 LOVE MONEY.

New York, Dec. 9.—Bessie DeVoe, the dancing girl, is camping on the trail of Frank J. Gould, determined to have \$200,000 as a bail for her alleged injured feelings. She declares she has scores of love letters in her possession proving the passion of the millionaire who is determined to marry another woman. Gould is in Europe and refuses to discuss the case further than to say he does not even know the girl. Miss DeVoe says:

Gould made repeated professions of his love to her and that she promised to marry him. She has retained a distinguished New York jurist to fight her case for her and the suit promises sensational developments. William A. Shayback, Gould's most intimate friend, is also named in Miss DeVoe's suit. She charges that he was instrumental in bringing about a change in Gould's affections, and she demands \$100,000 of him.

will help the color scheme. A Japanese Plan.  
If this color scheme seems too dull a gay one may be arranged by a Japanese plan.

Suspend an inverted Japanese umbrella over the dining table. Inside it pile all the smaller gifts, each one having a streamer of ribbon running to the plate of the one who is to receive it. Below it on the table place a small twisted bit of pine planted in a Japanese stoneware pot. This is supposed to represent one of the stunted trees of which Japan is so proud.

Around the base of the pot pile all the larger gifts tied up in printed Japanese napkins. If the tree is hard to find two old wheels from a doll carriage, several pieces of cardboard and a little ingenuity may easily make a very respectable representation of a Japanese which will hold a goodly number of gifts. If a small Japanese doll is sent each plate holding a gift on which is a streamer of the clever flapper who that Americans are so apt at making the effect will be all the prettier. To draw the gifts out at the time from the umbrella will delight the children.

The idea may be much amplified by anyone with the proper Christmas spirit. All the members of the family might wear the comfortable kimono to breakfast. These may be part of the Christmas giving. No more delightful surprise than one of these pretty garments could be planned by one skilled with the needle. The many-colored soft cotton crepes lend themselves to this idea admirably, while the shops are full of the more expensive silken and embroidered fabrics that appeal to the person with a full purse. Care must be used to select becoming colors, as there

the appointive offices. The officers selected by the lodge for the coming term are as follows:

Noble grand—William Dabson.  
Vice grand—William Trevarthen.  
Recording secretary—Charles Trueman.  
Financial secretary—William Maynard.  
Treasurer—Julius Seidenfeld.

### MOTON BREVETTES.

Fred H. Abbott, for the past three years electrical engineer for the Houghton County Electric Light company and the Houghton County Traction company, will leave today for Boston, having been transferred to that city by Stone & Webster, general managers of the companies.

Oliver Marlon has begun collecting taxes for Township Treasurer Peimor. He is located in an office in the Dea building. Mr. Marlon has on the township rolls \$127,000 for collection.

Unknown to all but a very few of their most intimate friends, Arthur W. Streeter and Miss Josephine Bissone, who were quietly married by Rev. T. J. Atfield at St. Patrick's rectory in Hancock, they left last night for Big Rapids, where they will reside, and before departing gave out the story of their wedding. Mr. Streeter has been employed in the Copper Range railroad yards. His bride has been a resident of Houghton for some years, engaged in dressmaking.

The Houghton hockey team of the Copper Country Amateur hockey league will turn out for practice Sunday for the first time. The entire team of last year will appear in uniform, including Carlos Haug in goal, Capt. Bill Trathach at point, Bobby Shea at cover, Harvey Bourhousen, Jack Mahan, George Helms and Elmer Cloutie on the line. Ole Haas and "Ching" McCurdy are also candidates for places on the team. These players have shown up well in high school teams and are promising material.

is no greater affliction to the average girl than a garment that is unbecomingly, but must be worn because it is a gift.

A Dreaded Contingency.  
A young girl of 14 was taking a trip on Lake Michigan in a small steamer. The lake was somewhat rough and many were seasick. The girl sat in the bow and was unusually quiet for her. "Are you feeling sick, daughter?" inquired her father. "No, I don't think I am sick; but I should hate to yawn."—Life.

Her Disappointment.  
An Atchison girl believed she had been exposed to smallpox. She got vaccinated, drank vinegar three times a day and took a large dose of formaldehyde, and had her home fumigated. Later, when she learned that it was all a mistake and that she hadn't been exposed, she had a big, long cry. She was disappointed. —Atchison Globe.
